Explanation - This amendment moves funding in the Montana Board of Crime Control for pass-through grants to a line item and designates the funding as a biennial appropriation. Total funding for the agency does not change. The main program line is reduced by \$904,559 general fund per year (\$1,809,118 for the biennium), \$53,303 and \$53,323 state special revenue in FY 2010 and 2011, respectively (\$106,626 for the biennium), and \$5,757,230 federal funds per year (\$11,514,460 for the biennium). The line item for Domestic Violence Intervention (\$96,697 and \$96,677 state special revenue for FY 2010 and 2011, respectively) is removed and combined into the new line "Pass Through Grants - Biennial".
